

GP PARTNER

c. 6 clinical sessions per week

Due to an upcoming retirement, we are seeking a committed, enthusiastic and forward-thinking GP who is passionate about providing high-quality patient care to join our team as a GP Partner. This is an exciting opportunity to take a leading role in shaping the future of our practice and helping us continue to provide excellent care to our patients.

Jessop Medical Practice provides healthcare to approximately 17,000 patients in the heart of Amber Valley, Derbyshire. We work from 2 purpose-built premises in Leabrooks and Ripley.

We are a friendly, supportive and an innovative team comprising of 5 partners, 8 salaried GPs, Advanced Clinical Practitioner, and Nurse Practitioners. We pride ourselves on our excellent support network and strong local reputation. We place a high emphasis on continuous learning and development and have been training GPs for many years.

Our practice operates on SystemOne with additional software including Ardens, AccuRx, and others to enhance our service delivery.

As part of the ARCH PCN, we collaborate with 8 neighbouring practices, benefiting from a wide range of additional healthcare professionals, including home visiting team, a pharmacy team, FCPs and GP assistants.

Current Partners hold leadership roles at PCN and system level.

Start date is negotiable and we are happy to wait for the right candidate.

We welcome informal visits and enquiries, so please contact Dr Andrew Mott (GP Partner, andrew.mott@nhs.net) or Alayna Cresswell (Practice Manager, alayna.cresswell@nhs.net)
