

Become a GP Partner at Lister House Surgery

Lister House • Chellaston • Oakwood • Coleman Street

**A dynamic and forward thinking surgery at the forefront of clinical practice.
Operating from four sites across Derby.**

About us

Lister House is comprised of an expansive multidisciplinary clinical team consisting of 7 GP partners, 13 salaried GPs, 6 ACPs, 25 highly skilled nurses, 7 clinical pharmacists, 2 pharmacy Technicians, 6 Physiotherapists, 8 mental health workers, 1 PA and over 40 experienced administrative and reception staff.

We operate from state of the art facilities across four locations; Pear Tree, Oakwood, Chellaston and Coleman Street.

www.ListerHouseSurgery.co.uk

We deliver high quality healthcare to patients from a diverse range of backgrounds.

Why join the partnership?

Becoming a partner makes you a business owner alongside your fellow partners at Lister House. You will be able to take a leading role in the running of the practice and are empowered to shape the way your business is run in the present and the future, continuing the success of the practice.

You will also enjoy a wide range of benefits that include, but are not limited to:

- Self-employed – earn a share of profits
- Generous holiday allowance
- Personal development opportunities
- NHS pension scheme
- NHS discounts
- Flexible working

“At Lister House you will be supported by colleagues and senior managers to pursue your own goals and passions as well as contributing to the continuing success of our Surgery.

You will be a valued member of our team and make a difference everyday to the lives of our patients.”

Dr Mark Hale - Senior Partner

GP Partner

We are seeking to appoint a GP Partner who can contribute to the running of the business, with strong leadership skills and who is able to take on projects to continually improve the practice.

You will be self-employed and are empowered to run the business as one of the partnership. You will be able to work with a high degree of autonomy and be able to influence both the business and clinical management of the practice for the benefit of our patients, staff and for the continued success of the business.

GPs at Lister House benefit from:

- Fully BMA compliant with 15 minute appointments for all GPs and ACPs
- Few acute visits
- A Pharmacy team who will manage script tasks
- Admin protocols that reduce correspondence seen by GPs by 90%
- A mix of face to face, telephone and eConsult appointments
- Software including System One and AccuRx
- Support from dedicated diabetes respiratory and contraceptive nursing teams to manage treatment
- Mental health team to manage and review both adult and child patients with regular MDTs
- Work closely with other GP practices, local voluntary organisations and community to benefit Derby residents at scale.
- We are a GP Registrar, ACP and nurse training practice
- An efficient secretarial team utilising digital dictation
- A social prescriber and health and wellbeing coaches for further patient support
- Flexible working to promote positive work life balance
- Regular practice meetings and clinical discussion opportunities
- Excellent team work and peer to peer support
- Have our own LMC Rep
- Our four sites under one practice make up our own PCN
- Support to develop interests in MSK, dermatology, palliative care, mental health or other interests you may have
- Use of Ardens templates
- Monthly QUEST and clinical meetings

“The comprehensive reception and administrative functions support GPs at Lister House to focus on the patients.

The broad range of clinicians and specialist teams in the surgery is unlike most primary care settings.

Together we work hard to deliver the best patient care and the peer to peer support on offer is unmatched.”

Dr Sophie Harvey - GP Partner
