

Salaried GP Opportunity

6 Sessions Negotiable, Tier 2 Visa sponsorship available

£11-11,500 per session negotiable

GP Training Practice

An opportunity has arisen for a GP to join a forward thinking and supportive practice team within easy access of the Peak District, cities of Derby, Nottingham & Derbyshire. We are also well placed for access to good local schools.

We have recently merged to one Practice, with our head office based at Alfreton our branch based at Blackwell, with a combined list size of approximately 10,800.

The Practice has a strong focus on continuous development and improvement at all levels.

All Practices have a wide-ranging skill mix to include GP Partners, Salaried GPs, Practice Managers, Phlebotomists, Health Care Assistants, Practice Nurses, Triage Nurse, Advanced Care Practitioners, Practice Pharmacist, Physiotherapist, Registrars & medical students with a full administrative support team.

For further information or to arrange an informal visit to the Practice please call Dr Joanna Southcott, Senior Partner on 01773 833133 or email joanna.southcott@nhs.net

Information about the Practice and the services we offer is available on our website: <https://www.limes-medicalcentre.co.uk/>

Applications should be made via CV with full covering letter and sent to:

Dr Joanna Southcott, Senior Partner, Limes Medical Centre, Limes Ave, Alfreton, DE55 7DW or joanna.southcott@nhs.net
